I realize the most popular one is PUBG Mobile but it's miles very hard to get a modded version of PUBG(PLAYERUNKNOWN'S BATTLEGROUNDS). This is why in this article I will give you a modified version of Garena Free Fire- Rampage that is Garena Free Fire MOD APK. Besides MOD APK + OBB, Normal APK is also available to download. If there's no PUBG Mobile then the best game left would be Garena Free Fire. Most I preferred is Garena Free Fire mod apk which is nothing but just a Modified version of the game. So Free fire is one extra battle royal game and what the best part about the game is that it's really easy to understand and control. Like in PUBG, it's far very hard to recognize and master the controls and about guns & scopes for the brand beginners. But on another hand, there's nothing like a noob and you can become a pro in short while. Garena Free Fire Mega MOD APK Unlimited Ammo & Aimbot Latest Version File NameGarena Free Fire MOD APK Versionv1.51.2 Size40 MB + 468 Mb MOD FeaturesUnlimited Health/Auto Aim/Wallhack Updated on29 July, 2020 Supported on Android 4.1 and on Download Free Fire Mega MOD APK v1.62.2 + OBB DOWNLOAD Download Free Fire APK v1.62.2 + OBB DOWNLOAD Garena Free Fire Hack MOD APK Aimbot Feature The latest new 2020 version of Garena Free Fire Fire – Rampage includes many new features. one of my favorite features is Aimbot. Well, most of time it happens that it becomes difficult to target your enemies, especially when your enemies are running from one place to another. In that case, you can miss the fire. It is really difficult to fire enemies when they are moving, what you need to good at for better kill is good Aim. If you will have a good aim then you will not get a problem while killing your enemies. But I don't have a good aim and I am neither good at killing enemies. This is why our team has specially MODDED the game to a little extent and now you'll have a feature of Auto-aim. You don't need to aim at your enemies, all you can do is just move your gun towards the enemy and gunpoint will automatically move towards head for a better shot. You then just need to hit the fire button, nothing else. Garena Free Fire MOD APK Download(AutoAim/No Recoil/Speed) Unlimited Diamonds/Money/Coins One of the most important and best features in the game is that you will get unlimited Diamonds and Coins in the game, yes, you don't have to give even a single penny to get 999999 Diamonds and unlimited Coins. Garena Free Fire Vs PUBG Mobile(Which is best for you) AimBot Garena Free Fire MOD APK is not an easy game, there are still many people playing this game daily and you might get many pro Players, so, its not easy to play the game. Therefore Aim-bot is something that could help you in this way, it will easily help you target your enemies easily and you can easily get headshots, AimBot gave me 16 kills in one game for real. Unlimited Health What I liked the most about this game is that you will get God Mode Option where your health is kind of Unlimited, Whenever you get hit, you're health will automatically get to full, so, never Worry about this whether you gonna die or not, don't worry. Unlimited Health Feature will let you enjoy the game without getting die. But I Don't suggest you to overuse this feature. You must read below how you can be safe by using all these features. Mod Menu The best thing which you gonna love about this Modded version Feature is its Mod Menu, You will get mod menu where you will get choice to turn on or off any feature or anything here. What I am exactly speaking about is you can simply use Wall-hack or you can simply turn it off or you can disable aimbot or use with one click. Wall-Hack Wall-hack is something that everyone wants, you can see through walls and even shoot from walls but this goes with you only. Your enemies can't shoot you through walls, its really easy and simple. But I personally don't use Wall-hack, I don't know why but I don't use it. You can use it always without having any problem but before you do this you should read the below instruction how to use MOD APK of Garena Free Fire.
