GH / ADMSIONS / CHECK FOR LETTER.congratulations admission to all students who have been offered temporary admission to study at KWAME NKUMAH UNIVERSITY OF Science and Technology.join The largest campus news network via links below [| Source:! hypercitigh.comsoourcehypercitigh.com with Additional Resources from JBKLutse.com What does it mean to be temporary allowed? Hospitalization for English vehicles that have not met the minimum knowledge of the English language for complete academic admission. You can review MSU minimum English requirement here. Temporary status will continue until you reach the competences minimum (regular admission competence), generally through the registration in English Course Center (ELC); However, it is necessary to reach the knowledge of the language within 3 semesters for you to remain enrolled in university. How my lesson class schedule will be Determined? You must first take the English language test MSU (MSULT). You will receive your ELC class program and / or information on how to subscribe to academic courses after undertaking msuelt and is classified by the English language center. When will you take the msuet and how to sign up for a test date? Find out more about the English language test MSU, included how to enroll in the upcoming test dates. How many possibilities can I take the msuet? Get only a chance to take the msuelt per semester. The first time you do the test will be during the summer. After this, you will take Msuelt at the end of each substrate of registration in the intensive English program. How can I get ready for the MSUELT in advance? Msuelt is a competence test. It is not necessary to prepare for the test. However, you can acquire familiar with it using test preparation materials such as toefL and reviewing the msult sample test questions on the MSU website. English Language Center: How can I become suitable to enroll in academic classes? You can review the minimum English requirement of MSU. When can I meet an academic consultant? Once students have admitted provisional they become eligible for academic classes, they can meet virtually with an academic consultant. The virtual dates (online) of consultancy and registration will be scheduled on January 5, 7, 2021. Your academic consultant will send an e-mail to your MSU e-mail account with more information on your virtual date (online) consulting and Registration, now and how to virtually colleague (online) with your academic consultant. Can I send a TOEFL / IELTS / SAT score before the lessons start and acquire regular academic admission? For new students, if the admissions MSU office receives your official test score directly from the appropriate organization (ETS, British Council, etc.) before the first day of lessons, you can get a regular admission for that semester. For students who are currently attending the ELC, it is necessary to receive a rating of passage in all classes for the current semester to qualify for regular admission. Can I submit a TOEFL / IELTS / SAT score after lessons begin and acquire regular academic admission? Send a standardized test score at any time. However, official test scores from the appropriate organization (ETS, British Council, etc.) which are received after the first day of lessons will not be applied to the current semester.
