# Cancel hotmail account

How do you cancel a hotmail email account. Cancel hotmail account without password. How to cancel or delete a hotmail account. How to cancel hotmail account hacked. Cancel hotmail account immediately.

Last updated on 27 May 2020 at David Webb 03:11 AM. In recent years, Microsoft has centralized Outlook, Live, Hotmail and MSN email clients. Therefore, it also has centralized and simplified the process of cancellation of one. The procedure is simple, but before starting, you should keep in mind that your e-mail messages and files and photos you have in OneDrive will be completely deleted after a waiting period of 60 days. Continue reading to find out how to do it. Deleting an MSN or Hotmail account To delete your MSN or Hotmail account, you need to delete the entire Microsoft e-mail account. To start the process, head to Microsoft's Close Accounts page. When you arrive at the page, you will be asked to access your account. You should do it, with the account you want to delete: On the following screen, enter the password, then click Log in: Once connected, check that the correct account is  $\hat{A} \notin \hat{A} \leadsto$  "what you want to delete  $\hat{A}$ ,  $\hat{A} \leadsto$  "is what is displayed. Then click Next. On the next page, you will need to check your identity by receiving a code in one of the secondary e-mail addresses that you are previously provided. If you cannot access any of the e-mail addresses, click I don't have any of these and follow the instructions on the screen: for security, e-mail addresses associated with your account are not completely presented on this screen. To verify that you actually know the complete email address, enter it on the following page and click Send Code: Enter the code you received via e-mail. Read the list of consequences to delete your displayed Microsoft account, then select the available check boxes to confirm that you have read each entry: In the Select a reason list for which the reason was chosen to cancel your account. Now, select Mark Account for closing to finish the procedure. Microsoft will wait 60 days before you permanently delete your account. If you change your mind and want to recover it, you simply have to log in before the end of that period; The cancellation of your account will be canceled as a result. Image:  $\hat{A}$  © Microsoft. Hotmail is one of the most popular alternative e-mail services available. Most popular hotmail offers an alternative to Google Gmail for free and easy to use e-mail management. However, you can delete your e-mail account if you are switching another e-mail service. Express.co.uk explains how to delete your Hotmail account safely. First of all, you will have to access your Hotmail, Windows Live or Account Account. So go to your account settings. Click Security and click other security options. Scroll down at the bottom of the page and click Close My Account. A series of instructions on how to close your account will be set up. Once you have read all this, check your account and the process start. Read more: How to call an email on Outlook? Hotmail Email: How to delete Hotmail's e-mail account? Can you get rid of @hotmail e-mail? (Image: Microsoft) Hotmail is one of the most popular alternative e-mail services available. (Image: Microsoft) Microsoft Hotmail) offers an alternative to Google Gmail for free and easy to use e-mail management. (Image: Microsoft) You will need to insert some personal information before you can complete this process. You have to fill in your name, date of birth, location and user name. You can choose to access via a new email address or you can use a phone number to sign and confirm your new account. It is therefore necessary to create a new password to protect your account and personal emails. Yes To include uppercase and tiny letters, special numbers and characters (! @ £ /?%) in your password to make it robust enough.  $\hat{A}$  »Once these steps are complete, you will be asked to test your login with your new username and password. Once done, you can start adding contacts and use e-mail services.
