IDP Education, Co-owner and Official Test Center of IELTS We are a proud co-owner of IELTS. IELTS. or attend a university or training centre below the degree level. Test participants can choose between IELTS and IELTS cards on computers according to their personal preferences. Please note that the content, structure and timing of the tests are identical, whether they are performed on paper or computer, both for general training and for the academic IELTS version. This unique 9-band system measures scores consistently, anywhere and when testing. Comprehensive Provides distinct scores in all four areas of listening, reading, writing and speaking competence, plus an overall score for bands International In addition to the HKDSE IELTS exam for HK students, the IELTS test is available in more than 1000 locations worldwide. Consider whether you are ready to start studying or training in an environment where English is the language used. Learn more about the IELTS test format. When to take the IELTS academic test? For example, with IELTS, you can choose to answer questions within the reading test and writing test in the order you prefer. Modern The IELTS exam integrates the latest techniques to test your ability to use the English language, rather than simply memorizing its grammar/vocabulary. It is also possible to make changes to the reading responses during the time of completion of the reading test, so that \circledcirc Similarly, you can also make changes to write responses during the time of completion of the write test. Why Choose IELTS? Unique versions, frequent reviews, and rigorous testing procedures make IELTS sufficiently secure for government departments and professional bodies in Hong Kong and around the world. First, you will do the listening test, then the reading and writing all on the same day, one after the other without interruptions. The IELTS exam is developed by some of the world leaders in language assessment. * Results for IELTS on the computer are usually available in 3-5 days after finishing all test components. The IELTS test is common property and was jointly created by IDP: IELTS Australia, British Council and Cambridge English Language Assessment. It has an excellent international reputation and is accepted by over 10,000 institutions worldwide. It also incorporates a mix of native speakers from Australia, Canada, New Zealand, the UK and even the US into the Listening component. IELTS Results There are no passes or failures in IELTS, both for general training and academic versions. Registration will end four days before the test date, with places subject to availability. The IELTS test you take, along with the required score, depends on both the visa requirements and the organization in which you intend to study or work. All other aspects of the test are identical, whether on paper or on computer. Join a professional association. Click here to learn more about the format of each test. IELTS scores have a recommended validity period of two years. There are two versions of the IELTS test: IELTS General Training and IELTS Academic. The International English IELTS recognizes both British and American English in terms of spelling, grammar and word choice. Candidates are evaluated based on their performance, using scores from 1 to 9 for each part of the test - listening, reading, writing and speaking. Results for IELTS on computers will be available 3 - 5 days* after completing all test components. The language test will remain face-to-face, as we believe this is the most effective way to evaluate your language skills, looking for a more realistic performance. International Content The IELTS approach is recognized as being fair, reliable and valid for all applicants - regardless of nationality, cultural form, gender or special needs. IELTS is a test of all four language skills: listening, reading, writing and speaking. That's Because, unlike other language tests, the IELTS exam offers you a quiet room without distractions or interruptions for every single language test. As with all other aspects of the test, these are identical; whether taken on paper or on a computer. You deserve a good chance to do the best you can. The Hong Kong Ielts exam is only held on selected days. Please note that the day of the release of the results will be postponed to the next working day if it falls on a Sunday or a public holiday. If you choose IELTS on your computer, it means it will take listening, reading and writing the test components on a computer. Candidates will be notified if results are not available on the scheduled date. Since its launch in 1989, IELTS has become the most popular English proficiency test in the world. Migrate to an English-speaking country. IELTS ACCADEMIC is designed for people planning to study in higher education or looking for professional registration.
