Jane the Virgin Mary: Few shows currently on the air can beat you in terms of plot points per square inch, can't they? I mean, until © the premise is bursting into the s brachial with the story Hahahas: a virgin engaged/university assistant/aspiring writer is© accidentally inseminated artificially by his passion/rich boss/playboy, who is©in turn married to a gorgeous Czech identity thief on the run and bloodless. And then, Jane is engaged to a policeofficer, who is involved in investigating a murderer, mister of crime, who is © her father's stepmother? This is not even take© into account his aspiring mother-songwriter, who is living his own novel-worthy romance with Jane's father, a mega soap star. Suffice it to say that there's a lot going on, and I think we all need a Jane The Virgin Season 1 recap, since Season 2 will certainly deliver even more drama on top of everything. Sure, we can rely on the show's ever-bold narrative to keep us informed, but in case you're in the dog for a little Season 1 primer to safely predate it for monday night's e©s work, don't look any more. Here is a break from the most important stories of Jane The Virgin © now.The Love StoryA lot took place in the love department on Jane the Virgin. During the 22nd episode, Jane went back and forth between her two very up-to-date suitors, Michael and Rafael, and the show kept us all guessing with whom she would end up on an epison-to-episodic basis. It was almost as well © a romantic trigulo as they see, and highlights included proposals from both boyfriends, sane hesitation throughout the concept of waiting until © marriage, and some sane©-cute encounters. That said, by the time we got to the end of the season, Jane had effectively broken up with both boyfriends à'daCHEFE â€" although that doesn't mean they weren't yet jockey for number one She went into labor.Fortly to the fans, we can hope that love triâmondo amorous increase to NTH NTH As we entered the second season, Jennie Urman told TV Guide that Jane is getting married this season! The Family A s we all love Jane's loving triangle, the signature of the Virgin. I think we can agree with certainty that the third-woman Villanueva link © what constitutes the backbone of the program. And much certainly continued with the family, with Jane's abuela in a coma after being pushed down the stairs by her mother not a paraplegic. © Petra's logic (and subsequently almost being deported), and her mother rekindling a relationship of giving © Each with Jane's father, Rogelio, a soap star who is © endearing egomaniac. Hello. © In addition, Ivonne Coll suggested to Huffington Post that we will return to Alba and the need for immigration reform at around 2. Pregnancy From accidental conception to © the ultra-dramatic birth (complete with traffic jams, flights between countries, and a laboriously long delivery), Jane's pregnancy was full of as much drama as one would expect. She just couldn't resist more complications in pregnancy (she was worried about finding out she was at risk of miscarriage, and Mateo was about to be born), a s well as © they dealt with the drama of the cost, and then, um, © Of course, there's the fact that only hours after the birth, your son was abducted... by his father's ex-wife, Rafael, who was his baby ©. Urman told The Hollywood Reporter that Mateo will be returned safely, but also © m warned that kidnapping will have far-reaching consequences for all parties involved. Petra, now ex-wife, receives her own special recapitulation because of Petra's life © As worthy of a soap opera as Jane's, if not more. When we met her, she was having an affair with her husband's best friend, Roman Zazo. After he was killed, it was revealed that his giant © my idea was Dead, then the true Roman kidnapped petra to the Everglades - and long short story, both twins ended up getting impaled. Before all that, Petra© also carried out a Czech crime Lord©m for various episocs, gained© and lost control of the Marbella various Times (and with the help of several displeased ex©lovers), the charge of escaping from his pre©-nup with Raphael, and by last, but not least, can try to become artificially inseminated with Raphael's sperm. yes, when we last saw Petra, she was in the gynecologist's office. Only time will tell if she ends up life too©m, although the urman rather ominously told the Hollywood repArter: "She © a young woman; she doesn't need him to get pregnant" Ruh-Roh. This brings us © today in Jane the Virgin. Going to the premiere of the second season, we have a new mother that Jane cabinet with the fact that her baby was just kidnapped, Rogelio and Xo returning home from Vegas as recA©m-married, Petra © not © good with a sample of frozen sperm, and Michael in the hunt for sin Rostro once again. "CapAtulo" 23 is going to be quite episodic, isn't ©? Images: Danny Feld (2), Patrick Wymore (2), Greg Gayne / The CW CW
