GamesShooting GamesFirst Person Shooter GamesGrab your loadout and get ready for your 3D First Person Shooter (FPS) experience for free in your browser! Use snipers, assault rifles, shotguns, knives, and even bows and arrows to defeat your enemies. Play together with your friends online in a competitive way or just for fun. Make up your own games like 'Red Light, Green Light', 'Hide and Seek' or challenge them for a 1 v 1. Our FPS Games contain loads of exciting game modes, different maps, customizable weapons, and much more. Our FPS Games can all be played for free and online on the PC. Some of them can be played on Mobile Phones and Tablets as well. The overview can be found in the FAQ below. What are First Person Shooter (FPS) Games? First Person Shooter (FPS) is a sub-genre of Shooter Games. However, FPS games are played through a first-person perspective. Play through the eyes of the main characters and enjoy the 3D gaming experience. Use your fists, wield a knife or carry a machine gun and fire away! These games are often played online against other players. Zombie Shooter 3D is a creepy zombie game in which you have to fire your gun rapidly to kill off the zombies staggering towards you. Don't be fooled by their lolling heads and lumbering gait, once they cross the line and get close enough to attack, they will lunge at you with terrifying speed and rip off your face! Can you gun them all down before you get torn apart and eaten by these hellish ghouls? You're in for a real scare at the end! This scary horror game has a 13+ rating!
